## GRAND KNIGHT'S REPORT

My Brother Knights,

We have had a very busy couple of months. Thank you to all who have served our Parish and our Brother Knights and families. In August, we had a wonderful presentation on Adult Faith Formation from our Adult Religious Education Director, Mrs. Alexis Saller. Over the Labor Day weekend, we had a fabulous turnout as the Knights helped welcome Father Joachim from Nigeria in style at the Parish Labor Day barbeque. Thanks to George and Michelle Darnell for opening up their home to us for the annual adult pool party. Although the festivities were delayed a week and then forced indoors by the weather, everyone had a fabulous time. Chef John Brady put on a great back-to-school pancake breakfast for the Parish. We had a great turnout, with almost 100 people attending. Brother Steve Trotman did an outstanding job setting up our PGK dinner for Brother Doug Blair, allowing us to say thank you for a wonderful Fraternal Year in style.

As we gear up for autumn, we have a full slate of activities planned. In October, we have the semi-annual VDOT road clean-up, the Quarterly State Council meeting, the Knights recruitment weekend, and our semi-annual ARC home cleanup. In November, we will have out first of four sub sales and the 4th Degree Exemplification in Richmond. As always, I thank you in advance for all you do for our Parish and the knights.

Ad Gloriam Dei  
Vivat Jesus!

## KNIGHT OF THE MONTH

Our Knight of the Month for August is Brother George Darnell, PGK. George has really energized the Lecturer position and has lined up an impressive list of speakers for our monthly social meetings. He started off with a wonderful program on Adult Religious Education at Sacred Heart. George, as one of the "old heads" has been instrumental in helping the long line of new Grand Knights get comfortable with the position. George is a shining example of what it is to be a Knight of Columbus.

Our Knight of the Month for September is Steve Trotman, PGK. Steve has been an outstanding source of wisdom and knowledge this new fraternal year as he enters his second year as a Worthy Trustee. He took on the monumental task of setting up our annual PGK dinner this year. In a short period of time, Steve was able to find a suitable venue, organize the menu and get invitations out to our Brother Knights and invited special guests. The evening was a wonderful tribute to immediate PGK Doug Blair, allowing us to thank him in the style he deserved. Steve is also a shining example of what it is to be a Knight of Columbus.

*The Director's objective for Council activities is to increase fraternalism among members, to provide enjoyment to members and their families, to ensure service to the brotherhood and advancement in the Order's degrees.*

At the emergency Council meeting prior to the Social in September, the group present decided it would be best to send a check to help the councils in Texas to recover from the hurricanes that hit them for \$250 out of the Grand Knight's contingency fund, which I have done. We will decide at a later date whether we will pursue a fundraiser to help further. Thank you to all who were able to attend and discuss this matter.

The Officer's Meeting in November has been cancelled so all may attend the Parish Mission that week.

We will have a membership blitz the weekend of October 18<sup>th</sup> and 19<sup>th</sup> at all Masses. A reception for potential new members happens at the rectory Saturday night October 18<sup>th</sup> starting at 7 PM. Light refreshments will be served.

A VDOT Roadside clean-up has been scheduled for Saturday, October 5th and will start at 9 AM in front of Sacred Heart Catholic Church. Please plan to assist. The weather should be good, not too hot or cold. The more volunteers the quicker we can complete the task.

We will have a cleanup day at the ARC home on Saturday October 18th starting at 9 AM. Please meet at the church parking lot. Contact Bryan Roberts, PGK for more information.

## LECTURER'S CORNER

The Council began the year with two informative presentations at our August and September Social Meetings. On August 28th Alexis Saller spoke on Adult Religious Education, focusing on RCIA. She appealed for help with RCIA for youth and adults. Contact Alexis if you can help. On September 25th Martin Trimble Spoke on VOICE (Virginians Organized for Interfaith Community Engagement), a newly formed Social Justice action group in Alexandria, Arlington, Fairfax, and Prince William Counties. Martin explained the background and objectives of VOICE and similar groups in Montgomery

County, Baltimore, and DC. He appealed for Sacred Heart members to show up at First Mount Zion Baptist Church on Dumfries Road near Montclair on Sunday October 5th from 4:30 to 6:30 PM to show support to government leaders for VOICE's founding action of affordable housing, immigration, and health care. Sign up sheets were available at Masses on October 4th and 5th. Father Bazan, a supporter of VOICE, introduced Martin and committed 25 members from Sacred Heart.

On Thursday, October 23rd Tim Healey, Principal of Osbourn Park High School, will speak to the council and guests on some of the challenges facing his and other schools in Prince William County. His agenda includes:

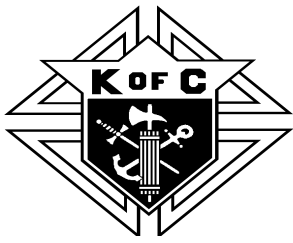

- Funding, class size, special students, ESOL
- How many Osbourn Park students got scholarships to college, number of Advance Placement students
- Performance measures, no child left behind, SAT Scores, the Pre-SAT funding
- Directions the new superintendent has mapped out
- How you do your budget - more on teachers, less on "stuff"
- How the parents can help - the athletic booster club, the PAC, other opportunities etc.

On Thursday, November 20th, the Council's new Field Agent will explain how the Knights of Columbus has revamped its Insurance Programs, especially for new Knights. There are many new features which go into effect on January 1st. This will give the Council and guests a sneak preview.

## FAMILY OF THE MONTH

Our Family of the Month for August is Brother John Fritsch and his lovely wife Bette. John and Bette Fritsch exemplify a Family of the Month. John is our Worthy Warden and has set the standard for readying the Council chambers for our monthly business meetings. He and Bette always provide a wholesome snack for our members and guests. They went above and beyond the call with a wonderful snack buffet for our August social meeting.

Our Family of the Month for September is the Family of Brother John Brady. John has helped out tremendously in his new role as Worthy Recorder while maintaining his position as our Pancake Breakfast chair and KOVAR chair. John and his family are very active in the choir and they were all instrumental in executing one of our most successful pancake breakfasts ever in September.

## CONSIDER YOUR CALL

The Dioceses of Richmond and Arlington will each host three gatherings in various regions of each Diocese (Tidewater, Richmond, Roanoke & Northern VA, Fredericksburg, Valley) in January/February 2009 timeframe. The program for each day will be directed toward High School students (at least 11th Grade), College Students and Young Adults. The focus of the gatherings will be how young Catholic men can better listen to the Holy Spirit as they make the life-shaping decisions which they face in regard to vocations, career and marriage. The program is designed to provide a special focus on how young men make the choice to serve the Church in ordained ministry. This program is based on a model which has been used nationally, and has been rather successful. It has been used in the Richmond Diocese in the past.

Each Knights of Columbus Council is asked to identify and invite AT LEAST THREE young men from their local Parish(es) to attend the local sessions. Each Council will give a direct invitation to the young men thus giving each Council time to think and talk about the young men from their local parish(es) who might have the potential for church ministry. The Diocese Vocations offices can supply some suggestions to the Councils concerning "what we are looking for" in potential candidates.

Brother Knights from each Council are asked to attend the actual "Consider Your Call" programs, serving as greeters, helping to set up the room, providing lunch for all in attendance, etc. Of course, the closest Councils to the three host churches in each Diocese would be able to do this best. The Diocesan Vocations Directors (Father Renninger and Father Bashista) will develop the program of speakers, they would call upon at least one Brother Knight and his wife to be part of the speaking program. The way the program has worked in the past, they have always called upon a married couple to speak about their own vocation to marriage, and how that has been helped by the ministry of clergy.

We ask that each Council contact your Pastor and Parish Staffs and explain the program to them. We would ask each Pastor and Parish Staff to invite at least three young men from their Parish.

Brothers, this is a very exciting program for us as Brother Knights. The Diocesan Vocations Directors will meet at the end of August to determine the locations and

times. Father Bashista will be at the October State Meeting on October 4<sup>th</sup> to speak and give us a report.

Vocation Director

## INSURANCE AGENT

### *Retirement*

This month's column is from your new Field Agent and is for the baby boomers.

Do you know what that is sneaking up on you? Retirement! Ouch. I know. It's hard to believe isn't it? Seems like just yesterday... But it's coming - and coming fast. And that's actually the good news. Let me share with you some tidbits that may be of interest:

The trend by companies to freeze or end their employee pension plans may have a big impact on baby boomers now on the cusp of retirement.

Boomers with pension plans have counted on monthly retirement checks at the end of their career, but increasing numbers of employers are ending their plans or halting future benefit accruals. Those at greatest risk include boomers in their late 40s and early 50s who are still at least a decade from retirement but too old to save enough to make up the difference in their pension benefits.

An August 2005 survey by PricewaterhouseCoopers showed that nearly half of companies that expected to change their pension plans in the next year were considering freezing benefits for all employees. More than a third that offered pensions have already pared back these benefits over the last three years.

"This will definitely be a problem for baby boomers," says Karen Friedman at the Pension Rights Center. "You've been at a company under the plan and worked for years with that expectation, and then it's taken away."

You may want to contribute to your own guaranteed tax deferred or tax qualified plan to supplement or replace your shrinking retirement benefits. Call me or send e-mail.

## NISSAN

This year we worked with the Sharks group when fund-raising at Nissan. This enabled us to earn a higher commission rate as all concerts will be covered. Unfortunately, less Knights worked less concerts this year. An initial estimate shows the result around \$3000 which is significantly below last year's take or the budget income.

## PROSTATE HEALTH

Have you noticed a recent spate of commercials urging men to pay attention to prostate health? That's because the Prostate Health council of the American Foundation for Urologic Disease (AFUD) inaugurated Prostate Health Month in September to educate men on prostate disease, treatment, and maintaining prostate health. The Council states that eight in ten men will eventually develop an enlarged prostate, while one in ten will develop prostate cancer. Despite these high odds, many men are not aware of how to maintain prostate health

and are reluctant to seek treatment, even when symptoms arise.

The three most common conditions affecting the prostate are benign prostatic hyperplasia (BPH) or enlarged prostate, prostatitis or inflammation of the prostate and prostate cancer. Most men will suffer some prostate enlargement as they age, and experience some symptoms such as decreased urinary stream or waking several times at night to urinate. Only a doctor can determine if these symptoms are BPH or something more serious.

Assessment of prostate health usually includes a digital rectal exam (DRE) combined with a prostate-specific antigen (PSA) blood test. Utilizing the results of these tests, your doctor can determine the proper treatment for your condition or order alternate PSA tests or a biopsy. Most men have little knowledge about prostate health and are afraid of diagnosis and the various side effects of treatments. However, options for treatment have improved greatly in recent years.

Be sure to discuss annual prostate health screening with your doctor, and report any symptoms promptly. Don't take the chance of ignoring a potentially serious health problem because you fear either the exam or the possible diagnosis. The best way to maintain prostate health is by getting regular check-ups and maintaining an overall healthy lifestyle.

## CHARITIES LABELS & KOVAR

Virginia Knights of Columbus Charities, Inc. was formed in 1994 for the purpose of carrying out the first principal of our order, "Charity." VKCCI gives grants to individuals and families who are in financial distress. Through a grant from KOVAR, we can also assist an individual diagnosed with Intellectual Disabilities. These grants provide some of the necessities of life for these individuals. Donations from you enable us to continue to give that financial assistance to those who have no other place to turn. Since July 1, 1994, VKCCI has given 460 grants totaling over \$656,000. The major source of income for VKCCI is the Mailing Label Program. Each of you should have already received a set of mailing labels or will receive them within the next few weeks. We ask you to continue to support the Label Program again this year and we sincerely thank you for your generosity.

Fellow Knights of Columbus, please consider giving to KOVAR during the CFC or United Way Campaigns. Knights of Virginia Assistance for the Retarded (KOVAR) give citizens with intellectual disabilities the chance to succeed. We provide grants for equipment, furniture, transportation and job skills training so they can live independently. CFC # code, used for making designations: 42569. Employer Identification Number: EIN #23-7337216. Phone Number: (800) 22K-OVAR. Overhead: 1.8%.

## EDITOR'S CORNER

Welcome to our latest newsletter. Thanks to those who contributed. It is being sent out slightly later than usual due to the postponement of the officer's meeting.

Due to the high cost and extra work involved, the council has decided to stop mailing hardcopy newsletters to anyone. This is the first issue that is not being mailed.

We will continue to post the newsletter on the council website (see below) and on the Knight's bulletin board at church across from the main floor bathrooms. If this is not sufficient, please make sure we have your updated email address as those receiving email versions of the newsletter always get their first. We would like to have 100% coverage by email with the postings as backup. If I don't have your email, please send me a note with it and I will add it to the distribution list. All newsletters are sent as blind carbon copy to minimize potential malware or other threats from utilizing the entire distribution list.

I would like all future newsletter inputs no later than the **Saturday** before the 1<sup>st</sup> Thursday of the month of issue.
